VILLAGE HALL NEWS

As many residents will know, the Village Hall is currently closed for safety reasons following the discovery of an issue affecting the roof. The Village Hall Management Committee has commissioned a report from a firm of structural engineers to help identify a solution and the report is expected shortly. The Committee aims to get the building work done as soon as possible so that the Hall can be re-opened, but at the moment the Committee can't predict how long it will take. Hirers will be kept informed of progress.

WATCH OUT - THERE'S A WARDEN ABOUT!

Following several complaints from residents about dogs fouling footpaths and grass verges, Tewkesbury Borough Council are putting up signs in the village reminding people about local byelaws, including that dog walkers must always have poo bags with them so that they can clean up after their dogs if necessary. There are several dog waste bins in the village and more have been ordered. Dog wardens will be patrolling in the coming weeks and asking dog walkers to produce their poo bags.
