We intend to change our name to

North Gloucestershire Borough Council

Tewkesbury Borough Council

We're running a consultation to explain why we want to make this change and the benefits the new name will bring - and to cover the concerns we've heard being discussed so far.

Most importantly, it will give you the chance to share whether there are any benefits or issues we haven't thought of.

This will play a crucial role in **shaping the identity of our borough** and helping to ensure that our **name reflects all of our communities**.

Let us know your views

Due to restrictions placed on us in the run-up to the parliamentary election, we have been unable to promote this consultation as much as we would have liked. **As a result, we have extended the consultation period until Wednesday, 31 July.**

Printed copies of the consultation document will be available at the council offices, Tewkesbury Leisure Centre, Winchcombe and Churchdown advice and information centres, and the borough's libraries.
